Premier Strategies Invests in Main Street

Salem, MA - Premier Strategies is proud to announce our recent partnership with the small business investment platform, Mainvest.

Mainvest serves as a leading investment platform that connects brick and mortar businesses with investors who care. Mainvest believes that communities should control their local economic development and share in the wealth it creates. Mainvest allows for direct investment from community members into small businesses across the nation, and strives to reshape the landscape of small business financing, one Main Street at a time.

Gregory Kirsopp, Founding Partner of Premier Strategies, Inc., had this to say of the partnership,

“Mainvest is paving the way for our small businesses to connect to direct investment from local communities. During this critical time for our mom and pop shops, Mainvest is changing the game and helping to give Main Street a fighting chance. We couldn’t be more pleased to partner with Mainvest on the incredible work they continue to do.”

Mainvest CEO, Nick Matthews, echoed this saying,

“Mainvest’s mission is rooted in elevating small businesses. Our passion to see their continued success is at the forefront of how we operate, and we look forward to working with Greg and Premier to expand these opportunities to businesses across the northeast.”
